A Vocabulary Review Activity

Setup Directions:

- Type a vocabulary word on each of the following 10 slides in the subtitle textbox. When complete, run the show by pressing F5 on the keyboard.
- Two students stand or sit with back to the screen. The class is divided into two groups.
- ½ class gives the student clues to the vocabulary word onscreen as a clock keeps time.
- The student tries to guess the word before the buzzer.
- If they miss the other student gets 15 seconds to hear clues and try to guess.
- They alternate sides.
