

Teacher Information Sheet
Cleaning Up the Beach
Rubric

Use the following rubric to assess the clean-up plan for each lab station:

- 4 -- Students removed most of the oil from the sand using a plan that would not endanger the environment.
- 3 -- Students removed at least some of the oil, but had a plan that would endanger few plants and animals.
- 2 -- Students removed most of the oil from the sand, but the plan would endanger at least some of the plants and animals.
- 1 -- Students failed to remove oil from the sand, and the plan endangered plants or animals.
