

Fluid State of Mind

A Fluid Situation Student Handout 1

A number of excellent graphics showing the chemical make-up of fracking fluids are available. Search the internet using the key phrase “fracking fluid graphics,” or use <https://energyindepth.org/wp-content/uploads/2011/10/frac-fluid.pdf>

Also see: <http://geology.com/energy/hydraulic-fracturing-fluids/> for a detailed explanation.

Illustrate one example of fracking fluid below:
